

I'm Going to Kindergarten

at Walkerton District
Community School!

There are different ways to get to school.
How are you getting to school?

My name is Mrs.
McFarlan and I am
your principal!

Mrs. Wettlaufer
and Mrs.
Darroch-
Hopkins are the
vice-principals!

You will have two
adults in your
classroom.

One is an early
childhood educator
and one is a teacher.
You will meet them
the first day of school.

When you arrive at school, you might spend some time on the playground! Recess happens here too.

You will
enter the
school from
the
playground
through
these doors.

We have 3 Kindergarten classes. You will be in one of these rooms.

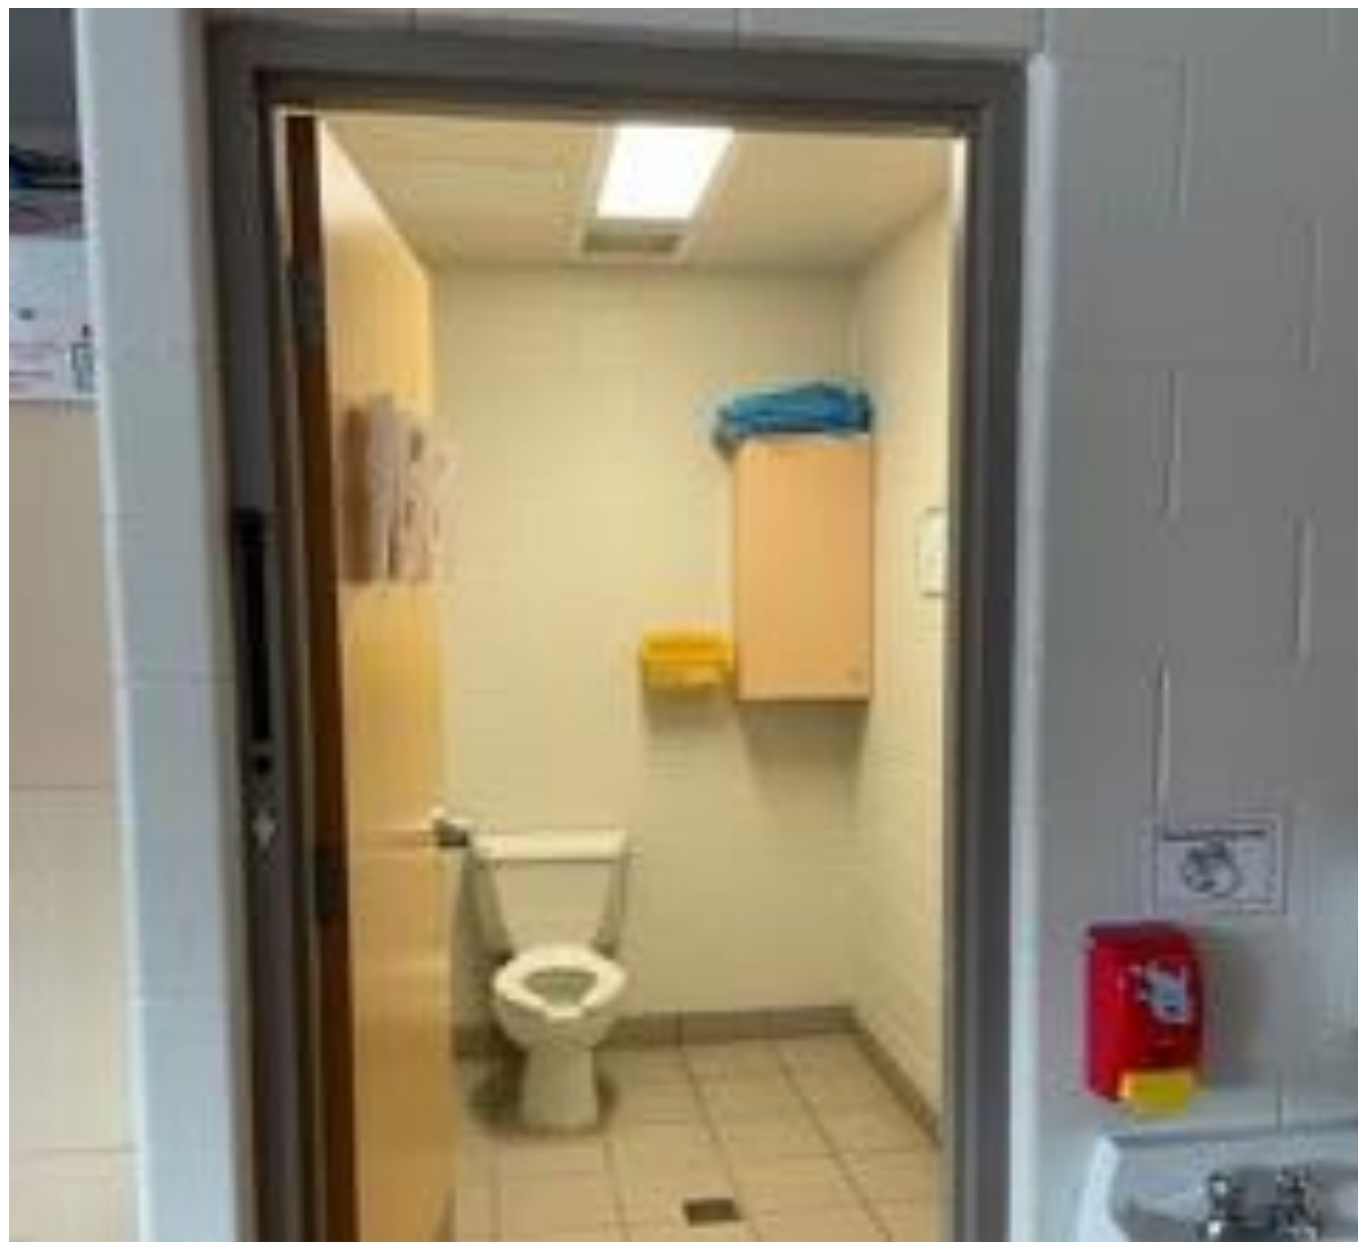

You will put your coat, shoes and backpack in your cubby/area.

Lots of different things happen in your classroom.
You will sit together, hear stories, learn and play.

There is a
bathroom
attached to/near
your classroom.

Your school has a gym
to play games and
learn new sports.

There is also a library to borrow books from/enjoy books in.

We are looking forward to
seeing you in the halls of WDCS.
